

Standing Behind The Men and Women Behind The Badge

WITH YOUR SUPPORT, our 100 Club has entered 2014 on high ground.

Below is a sample of what you helped make possible in recent months:

*
BATTLE OF THE BADGES
*

This always-popular event pitted boxers that pulled no punches in their efforts to bring home the coveted trophy. This is our largest fundraiser annually and helps maintain our benefit fund. For videos of the 2013 Battle of the Badges bouts, click here.

*
BOOTS VERSUS BADGES
*

This slugfest of a softball game between law enforcement officers and firefighters generated funds for both the 100 Club and Coffee Memorial Blood Center. Along with police and fire men and women, Coffee Memorial provides a vital service to the Panhandle region.

*
APD FUNDRAISING DAY
*

100 Club Board of Directors members and others helped with this successful event to benefit APD activities. It helped raise money for the APD Benefit Fund, which helps officers and their families who are in need.

*
STREET SMART SURVIVAL
*

The 100 Club was major sponsor of this event held on the Amarillo College West Campus. More than 250 regional law enforcement officers participated.

*
GRANTS
*

The 100 Club also helped regional law enforcement and fire departments through grant programs to help fund life-protecting equipment.

YOUR 100 CLUB NOW HAS MORE THAN 200 MEMBERS.

Your dedication to this important program is deeply appreciated. We encourage you to renew your annual membership and help keep our mission stronger than ever.

HELPING THE MEN & WOMEN WHO PROTECT US • OUR MISSION STATEMENT

The mission of the 100 Club of the Texas Panhandle is to:

- Provide assistance to the families of certified peace officers and firefighters who are killed in the line of duty while protecting our lives and property.
- Provide assistance to certified peace officers and firefighters who are seriously injured while protecting our lives and property.
- Provide law enforcement and firefighting agencies with life-protecting equipment that cannot be secured through budgeted funds and agencies.
- Provide law enforcement and firefighting agencies with educational opportunities.
